

MANUFATURER'S DECLARATION

LEED (scrap recycled content)

We hereby confirm that NOVÁ HUŤ s.r.o. currently purchases input material (semi-finished products) for production from external suppliers. The proportion of scrap used in their production depends on the supplier's production technology and ranges from 25 % to 95%.

This declaration is based on information provided by our material supplier's.

Ostrava, 12th December 2025
